

Chief, Economic Research

6 May 1958

Deputy Chief, Analysis Division

Arctic Indoctrination Course

1. In terms of the people probably attending, the program promises to give a good indoctrination. While the program appears to overemphasize transportation, the time distribution generally appears adequate.

2. The allocation of vacancies might possibly be weighted more heavily in favor of the services than presently. While there appears to be only slight reason for ERA sending anyone, [REDACTED] might be nominated.
